The editor acknowledges the receipt of an invitation to attend the Twenty-Eighth Annual Commencement of the Ursuline Academy at Arcadia, June 26th, at two o'clock P. M.

Arrangements are being made to build a mile race track at Iron Mountain. The track will be built in the field just west of the railroad station. It will probably be completed in July.

We understand that it is the intention of Mr. Smollinger, the purchaser of the Iron Mountain property, to make his home there, and it will be one of the greatest homes in the State, too.

The local option law in Wayne county was declared null and void in the circuit court in Greenville last week. The law was knocked out on the technicality that the county court in ordering the election had failed to designate what paper the notice of election should be published in.

Mr. R. K. Smith, who recently resigned as division superintendent of the Iron Mountain with headquarters here, has been appointed general manager of the Detroit Southern railroad with headquarters at Detroit, Michigan. Dr. J. J. Norwine returned this morning from Caledonia, Mo., where he went a few days ago to attend the funeral of his father, Mr. Conrad Norwine, who died at the home of his daughter in that city last Monday from an attack of pneumonia fever contracted by the old gentleman a few weeks ago while on a visit to Dr. Norwine in this city.—*Poplar Bluff Citizen.*

MARRIED—At the home of the bride's parents, Mr. and Mrs. Sam Middleton, 4802 Cote Brilliant avenue, St. Louis, at 9 o'clock, June 5, 1905, Miss Goldie Middleton and Mr. Gus Mohele. Mr. and Mrs. Wm. Trauernicht, of Middlebrook, were over for a short visit the first of the week. We were favored with a pleasant call from the former. He tells us that things are booming at Grilleville again, the Schneider Granite Co. having a contract for a year's work at paving cutting. Cutters are scarce, however, and laborers are having to be brought in from Canada.—*Farmington News.*

Pursuant to the call of the County Central Committee the Democrats of Iron county assembled in convention at the court house, last Monday, and proceeded to nominate a candidate for Sheriff, to be voted for at a special election, to be held June 24th. Delegates were present from four townships: Union, Liberty, Arcadia and Iron. C. K. Polk was chosen chairman of the convention and Arthur Huff, secretary. John I. Marshall was nominated for Sheriff by acclamation.

The Ladies' and Gentlemen's Riding and Driving Club of Ironton was organized at the court-house last Friday evening. The following officers were elected: H. M. Collins, president; J. Lopez, vice-president; J. A. Reymann, business manager and treasurer; J. M. Hawkins, secretary; P. W. Whitworth, W. J. Schwab, J. P. Gillam and C. P. Damron, directors. It was voted to have a blue ribbon fair and horse show at Ironton on Tuesday, July 18th. Particulars will be announced next week.

DIED—At her home in Ironton, Mo., Sunday, June 11, 1905, at 1:30 P. M., Eva Peterson, daughter of Rev. and Mrs. T. G. Peterson, aged 21 years, 3 months and 20 days. Funeral services were held from the Methodist Episcopal church by Revs. D. A. Ball, P. E., and W. R. McCormack, of Farmington Station, Tuesday afternoon, and interment occurred in the K. P. cemetery. All the community mourns the death of this lovely young lady, and the grief-stricken parents have much sympathy in their sorrow.

A pusher, south-bound, and a light freight (engine and caboose), north-bound, collided about three miles north of Ironton last Thursday morning about half-past five o'clock. Both engines were backing and the tenders hit with great force, completely demolishing them. Conductor Roubush of the freight was quite seriously injured, remaining unconscious for three hours; engineer Dave Roach of the freight had three fingers cut off. A couple of brakemen were slightly injured and Conductor Rouse of the pusher was somewhat bruised. The track was blocked six hours. The accident was the fault of the dispatcher.

There is truth in the following, taken from an exchange: "There is only one kind of a newspaper worth printing. Any other kind is fictitious. This alone abides. It is the newspaper which is working on the everlasting lines of equality, of kindness, of truth, of reality, of beneficence. A paper that is only published as a vent due for the bile of some narrow-minded individual who happens to control a little printing material, is a buzzard feasting upon society, against which the doors of all homes should be closed. To lift up and not pull down, is the great need of mankind. There is more and more need along the pathway of life for flowers and balmy buds to heal the wounds of the blind, stumbling, bleeding humanity, than there is for the poisonous reptile that lies concealed in the grass, ever ready to bury its poisonous sting into the already aching flesh."

Jason Hendrick, who resides at 545 Cherry street, shot and fatally wounded Jesse Van Winkle, a fellow boarder, who he mistook for a midnight intruder. The facts surrounding the tragedy are about as follows: Hendrick had retired, and was awakened about 11 o'clock by a noise on the back porch, caused by Van Winkle and his wife. Hendrick got up and got his gun and then sat down on his bed. Van Winkle started to come into the room, so as to get to his, when Hendrick, mistaking him for a burglar, and thought he had broken in the door, he waited till he got an outline of the man and then shot, striking him in the stomach the ball coming out of his hip. As soon as Hendrick discovered what he had done medical attention was at once summoned and the unfortunate man was later removed to the private hospital of Drs. Davidson and Windsor, where he was operated on but to no avail, as it was but a matter of a few hours when death relieved him of his suffering.—*Poplar Bluff Citizen.*

Mr. Van Winkle was several years ago a resident of Arcadia.

The last will of the late A. A. Blumer, Sr., was offered for probate this week. We give the will in full: "I, Arthur Achille Blumer, born in South France, April 28, 1815, being sound of mind and body, have written my last will and testament as follows: I believe in the religion of humanity as announced by Confucius; not to do unto others what I would like others not to do unto me. I do not believe in the false, brutal and immoral traditions imposed upon ignorant and credulous people as the word of God. I do positively forbid any prayers whatsoever upon my corpse, which shall be buried in my lot in the Odd Fellows' cemetery, near my son's grave, to be brought there by a one-horse light wagon, without any display or pomp or the humbug of the hearse, and buried in a vaulted grave with bricks and

cement; a coffin and its case robe of white oak board. However, as some sympathizing friends might follow my corpse from my house to the grave, I desire that a band of music, if there be one in reach, shall accompany my corpse to the grave and play alternately the 'Marseillaise Hymn' and the 'Star Spangled Banner.' A modest black granite stone on my grave shall bear the following words: 'Cipit A. A. Blumer, 1815—19—, and this motto, 'Magni mementi est animo liber, at head of stone this motto: 'Pystas is tin Patrida.' In a book you will find these words, God is love, Love is God, also who has seen the Son has seen the Father.'—*Fredericktown Democrat-News.*

The following is reproduced from Tuesday's Star-Chronicle: "Assistant United States District Attorney Joseph C. Williams returned Tuesday morning from Hillsboro, Mo., where he made application Monday for writ of habeas corpus to secure the release from jail of Mrs. Mary E. Spaulgh, mother of 'Bill' and Arthur Spaulgh, alleged murderers of Sheriff John Polk of Ironton, Mo. Mrs. Spaulgh is charged jointly with her sons of murdering Sheriff Polk and is now being held in the Ironton jail without bond. Mr. Williams, who has been employed to represent her in his private capacity, says he will endeavor to secure her release on bond pending a preliminary hearing, which will be demanded following action on the habeas corpus writ. The application of the writ was made to Circuit Judge J. Williams, now sitting at Hillsboro, and who also presides over Iron county, in which Ironton is situated. Judge Williams is expected to either grant or deny the writ Tuesday afternoon. In the event the writ is granted, Mrs. Spaulgh will be brought to Hillsboro, and the authorities of Iron county will be called upon to show cause why she should not be admitted to bail. Mr. Williams has also been employed to defend 'Bill' and Arthur Spaulgh, who, it will be remembered were run to earth by a posse several days after they are said to have killed Sheriff Polk, and who were only taken after a desperate battle in which Arthur was wounded. Should Judge Williams grant the writ for Mrs. Spaulgh's release and she is given a preliminary hearing at Hillsboro, an application will be made by Attorney Williams for a writ of habeas corpus to secure the attendance of the two alleged desperadoes at their mother's trial, that they may be able to testify in her behalf. Prosecuting Attorney C. P. Damron, of Iron county, and Mayor Wm. R. Edgar, of Ironton, who is assisting in the prosecution, contested the issuance of the writ applied for by Attorney Williams Monday."

Teachers' Examinations.

The next regular examination for teachers for this county will be held in Ironton June 23d and 24th. At this time all persons desiring teacher's certificates, or teachers wishing to raise their grades, will be given the opportunities desired. I would insist that a great many of my teachers try to raise their grades, thereby showing that they are advancing in the profession, and that they are taking advantage of the opportunities within their grasp, which are offered in order that our standard be raised. The teacher who gets the good position is the one that shows himself qualified for the place.

I am greatly in hopes that the records which will be made at this examination will show a progressive move among the teachers of Iron county. Nothing speaks better for a community or county than a corps of able and enthusiastic teachers. Let Iron county's teachers do their part to uphold our banner and retain the reputation already made.

The position of this board of education on the endorsing question is well known, but for the benefit of some who may not know it, I will state that no certificates will be endorsed. By experience as well as by close observation, we have learned that it is best for each county to examine its own teachers.

The examinations will begin promptly at 8 A. M. and 1:30 P. M., and the usual order will be followed. Any further information desired may be had by addressing, Yours, Truly, O. J. BUFORD, Co. Com'r Public Schools, Ironton, Mo.
